

## Project Game.

### «Своя игра» (проектная игра – практико-ориентированный проект).

*(Данный вид проекта отмечает четко обозначенный с самого начала результат деятельности участников проекта, который обязательно ориентирован на социальные интересы самих участников).*

Командам предлагается правильно ответить на вопросы трех туров викторины и заработать как можно больше баллов (виртуальных денег). По окончании игры участники должны разработать проект по определенной теме и вложить в него заработанный на игре капитал. Для помощи в реализации проекта командам выдается бонус 1000 очков.

Возможные варианты тем:

- Благоустройство парка.
- Благоустройство школьной территории.
- Акция «Поможем детям».

**Цель** – создание условий для развития творческого и интеллектуального потенциала учащихся; умение планировать свои действия и представлять результаты своей деятельности; развитие познавательного интереса при изучении английского языка, воспитание игровой культуры.

I тур.

Команды получают карточки, на игровом поле которых указаны тема и цена вопроса. Команды по очереди выбирают тему и указывают стоимость вопроса. Давая правильный ответ на вопрос, команды зарабатывают очки (деньги).
